Creme de Cassis de Bourgogne Double  
Creme Joseph Cartron  
sets the standards where blackcurrant  
liqueurs are concerned. There are two  
reasons for this: the exclusive,  
<secret> recipe which dates back to the  
19th century, and the choice of fruit.

Made only with Noirs de Bourgogne  
blackcurrants picked when fully ripe  
from brushes planted on soil which is  
almost identical to that of Burgundy's  
grand cru vineyards. The juice from  
these small berries is exceptionally  
aromatic.

This strength of aroma is glorified in  
our Double Creme de Cassis - the  
perfect balance between blackcurrant  
flavour, sugar and spirit.
