### SINGLE MALT SCOTCH WHISKY NO.4 - TEAINICH DISTILLERY - 2007

#### AGED 10 YEARS IN CASK

The Mossburn Vintage Casks range are a collection of Single Malt Scotch Whiskies each issuing from a strictly limited and select batch of casks. Each numbered release will only ever yield a finite number of bottles. While this means that we can never replicate the particular character of this Single Malt, it also offers an opportunity to sample what we believe to be an exceptional example of the whisky made by one of Scotland's most distinguished distilleries.

#### Tasting Notes

Lying by the Cromarty Firth in the Northern Highlands, the Teainich Distillery utilizes a long fermentation to produce fragrant, oily spirit with a distinct grassiness. We have aged this whisky in refill Oloroso Butts which have left a delightful bouquet of mixed herbs and spices on the nose with a touch of lavender coming through; it has developed a rounded, spicy and complex flavor with subtle notes of sweet pepper towards the finish. The restricted oak influence from the large 500L casks allowed us to bottle this at cask strength to promote the distillery's trademark herbaceousness.

#### PRODUCER SUMMARY

At Mossburn we only produce hand-crafted whiskies of the highest quality, selected from our own aging stock. For this Vintage Casks range we have sought out Single Malts of interest, issued from specific vintages, with full traceability of the distillation and cask aging they have undergone.

The master blender has specially selected these barrels from our aging warehouses, where many Single Malt Casks lie slowly maturing, as worthy of special Mossburn Distillers & Blenders bottling. Each batch exhibited the classic hallmarks of balance, depth and complexity that only the best Single Malts can deliver.

This select release has been bottled at cask strength, without any coloring or chill filtration, to showcase the purest expression of the Single Malt's character.
